WRIT APPEAL Nos. 2086 AND 2088 OF 2003

–

–

ORAL COMMON JUDGMENT: (per The Hon'ble The Chief Justice, Sri Devinder Gupta)

The grievance of the appellants in the Writ Petitions was that G.O.Ms.No.30, dated: 18.1.2000 has not been followed by the Bhimavaram Municipality, and, inasmuch as they are Sanitary Workers' Unions formed and registered, it was not permissible for the Bhimavaram Municipality to have invited tenders. He placed reliance on condition No.3 in the said Governmental Order. Learned Single Judge noticed the stand taken by the Bhimavaram Municipality that since there are number of societies registered, Municipality felt that it has to invite tenders and called for tenders only from those societies of 17 workers' unions which are registered, and, tender is confined to such societies. The selection is yet to be made among those societies. Writ Petitioners were also permitted to participate.

In view of the stand of the Municipality, there is hardly any ground to interfere with the order of the learned Single Judge, since appellants cannot insist upon in allotting work to them only when there is more than one society. The Writ Appeals, therefore, are dismissed. No costs.
